

WIDE WORLD OF INDOOR SPORTS

Wide World of Indoor Sports is excited to be introducing our new database – Dash! This new database is user friendly with many new features that will allow for easier team management! The busy season will quickly be upon us, so to be proactive, we are asking all participants to create an account by following the link below:

Montville -

<https://apps.dashplatform.com/dash/index.php?Action=Auth/start&useLowerCaseActionParam=1&company=montville>

North Kingstown & North Smithfield -

<https://apps.dashplatform.com/dash/index.php?Action=Auth/start&useLowerCaseActionParam=1&company=wwis>

In addition, you can download the Dash Console app for your phone and get started there! Please note the following:

- Dash works best with Chrome or Safari
- Families will now have ONE account
- Waivers will now be signed digitally in your account
- Captains / Coaches can now manage their roster online and invite members to their team

You will soon be seeing iPads at each of the WWIS locations as well!

If you have any questions regarding the new database, please feel free to contact your WWIS location!
